RFU

# ARFC – Lease a pitch to the RFU

ARFC is in an advanced state of discussion with the RFU for the development of an Artificial Grass Pitch (AGP) at ARFC. This will involve leasing a single pitch to the RFU for a period of 30 years. In return, the RFU will develop an AGP at ARFC and maintain it for the duration of the lease. ARFC will have priority use of the pitch and at other times it will be utilised to promote and develop Rugby in the local community. As per Gerald's presentation

Your Executive asks you to approve the following proposal:

**“That ARFC leases a pitch to the RFU for a period of 30 years for the development of an Artificial Grass Pitch and facilities”.**
