Dear

The officials of Darwen Cricket Club hereby extend an invitation to you to participate in their popular Sponsorship programme this coming 2016 season.

It is an established fact that stress plays a major part in our health and wellbeing and that we all need a period when we can chill out and relax from everyday worries and decisions. What better way is there than to sit back and enjoy a relaxing afternoon in the company of your fiends, colleagues or clients whilst watching a game of good standard cricket at the Birch Hall Ground and putting the world to rights.

As your town team we are very proud to be considered one of the best in the North West area and have over recent years sustained a record that fully justifies this opinion having finished last season in third place in the highly competitive Northern Premier League and captured the coveted League Cup.

This year we have as club professional Shrinkant Wagh a left hand 27 year old Indian medium/fast bowler and middle order bat whose potential is held in high regard and we are hopeful that he can enjoy a successful season and more importantly remain with us for the full term..

While it is disappointing to record that Jordan Clark will not be available to Captain the side Mark Friend has offered to take on this role and is looking forward to the job in hand – we all wish Mark every success.

The change of Bar Manager and caterer was well received and so Lesley Worden continues to look after our guests (which totalled over 120 last season) providing food of the highest quality.

Again, we have two very popular packages available, the costs of which have been held and represent exceptional value for money as detailed below: The full menu can be found as an attachment to this letter.

### Silver Package

A three-course meal inclusive of complimentary drinks, is available at the following prices:

£120	6 persons
£150	8 persons
£170	10 persons
£200	12 persons

If preferred a buffet can be arranged instead of a meal. (min 8)

### Gold Package

This package offers exclusive use of the “Peter Lamster” lounge during the duration of the game for between 12 and 40 people. The sponsor and their guests will receive a buffet tea with complimentary drinks. Included in the price is the free use of the clubhouse for a function of the sponsor’s choice at anytime in the future. Invoices will be supplied for sponsorship and bar bills supplied if required.

The cost of the Gold package may be had upon application.

For both the Silver and Gold Packages you will receive:

- Receipted invoices for tax purposes (If required)
- Membership for two valued at £70
- Ground advertising on the match Sponsor board.
- Promotion in the match day programme and on the club website.

I sincerely hope that one of the above packages will appeal to you and that you are able to join us and support our town team in 2016 when we would welcome the opportunity to entertain you on a sunny summer afternoon at Birch Hall the home of the ‘Towers’.

Yours sincerely,

Colin Charnock (Hon Secretary)
