

Illingworth Cricket Club Presents

Euro 2012 Prediction Competition

Help Illingworth Cricket Club raise some much needed funds whilst having a go at predicting the outcome of Euro 2012. It costs just $\pounds 1$ per go with 50% going into the prize fund to be split as follows:

	Assuming 300 people take part the following prizes will be available
25% of total funds to the winner	£75
15% to second place	£45
10% to third place	£30

The money raised will be used by Illingworth to help it continue to provide outstanding facilities and coaching sessions which are enjoyed by an increasing number of local people and children.

All you have to do is predict which teams will win (10 pts for correct answer), finish runners up (8pts) and lose in the semi finals (5pts each). As a tie-breaker, you also need to guess the total number of goals that will be scored in all games during Euro 2012 (including extra time but excluding penalty shootouts). All sheets must be returned to Richard Farrell-Smith or handed into an ICC committee member no later than Friday 8th June (start date of competition).

Name of ICC collector.....

Name	Email	Tel No	Winner	Runner Up	Losing Semi Finalist 1	Losing Semi Finalist 2	Total goals scored	Paid (yes / no)
