Telford Raiders Lottery - FAQs / Terms & Conditions

What is it And What Does It Cost?

- A lottery organised and maintained by volunteers of the Telford Raiders Rugby League Club (registered with Telford & Wrekin Council Licensing Authority) to raise money for the club.
- Membership costs just £5 a month and must be paid by standing order to our dedicated lottery account on the 5th of every month. Cash, cheques or any other type of payment cannot be used.

How Much Can I Win?

- £3 of every member's monthly payment is paid out in that same month as prize money (and the remaining £2 goes to the club). There will be only one winner per month.
- The prize will therefore be dependent on total membership, but for example with 100 members the prize would be £300/month, and with 150 members it would be £450/month.

How Will The Monthly Draws Happen and Can I Watch?

- Draws will take place between the 10th and 20th of every month, the winner will be chosen entirely at random from the membership numbers (not names to ensure a fair draw) of every current member.
- We will hold the draw in a publicly accessible place every month, and it will be drawn by an independent person to ensure the draw is random, fair and correct.
- You are always welcome to watch the draw just contact the scheme administrator who will be able to tell you where and when the next draw will be held.

What Does Independent Mean?

- Is not and never has been a member of the scheme, and is not related to or significantly connected to any past or current members of the scheme.
- Not a current Telford Raiders committee member, coach or volunteer.

How Will I Be Notified and Paid If I Win?

- All members will need to provide an email address and postal address when they register the winner's name (or
 membership number if you have asked for confidentiality) and prize amount will be emailed to every member every
 month along with the draw location and witness's name.
- Unless you have asked for confidentiality, we may also at any time publish winners names and/or prizes on our website, Facebook group, or Twitter account or put articles out in press or radio to promote the club or scheme.
- The winner will receive their prize by cheque posted and made payable to the name and address used on that member's registration form. No exceptions can be made to this rule.

Can I Stop My Membership At Any Time?

- Of course membership will be valid upon the receipt by the club of a signed registration form, standing order mandate and the monthly membership fee itself.
- So, if you want to withdraw from the scheme, simply cancel your standing order and we will deem your membership to be cancelled with immediate effect.

Who Can Enter?

 Membership is open to anyone at all aged 18 or over. Whether a current or ex player, coach, volunteer, parent, committee member, or not related to the club in any way, anyone who wants to play a local lottery and also help to support a local sports club should join this scheme.

How Do My Chances Compare With Other Lotteries?

- 60% of membership fees will always be paid out in prize money, with 40% going to support the club.
- The National Lottery pays out 50% in prize money and 28% to charitable causes, and the Health Lottery pays out broadly the same in prize money (although it varies with membership) but only 20% to charitable causes.

How Will The Club Use Money Raised From This Lottery?

- The Club Committee will be responsible for deciding how to spend funds raised from the scheme, but it will always be in a genuine attempt to further the development of the club.
- A report will be emailed to all members at least once a year showing how funds have been spent.

What If There Are Changes Made To These Terms & Conditions?

• The club reserves the right to make changes to these terms & conditions at any time, but only once the proposed changes have been notified by email to all members at least 3 months in advance to give them time to give feedback and ensure they are happy to continue their membership of the scheme.
